***Bring us your banking needs...
we'll provide the solutions and value!***

We get it. You need the right people with the right expertise. You need attentive and timely response. You need a bank that specializes in property management. We understand that a successful income property is dependent on effective management of tenant deposits...with a system and service level you can count on. That's why top property management firms in Los Angeles count on us to help them spend less time on their finances and more time on serving the needs of their tenants.

Paying too much for your property management banking?

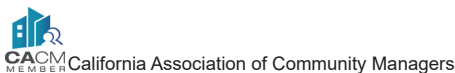

We're specialists...we want your business...and we'll show it; by providing highly effective service and value. *Give us an opportunity, and we'll show you a comparison of what you'll realize in savings and overall value at EH Private Bank.*
